WELLNESS RETREATS

Yoga, Meditation, Breath Work, Sound Journeys.

CREATIVE WORKSHOPS

Writing, Art, Food as Medicine & Photography.

This venue is in particular suitable for yoga and all types of wellness and spiritual retreats, as well as photographic, writing & art workshops, cooking demonstrations and workshops.

The open-plan area offers versatility and ample space to set up and customise the venue to suit your needs.

It is also fabulous for “long table dining” for chefs to show off their culinary skills promoting a sense of connection around great food and wine.

ETERNITY

There is a large wooden deck leading out from the space onto the dunes and from here you can walk directly onto the pristine white sand and down to the rock pool.

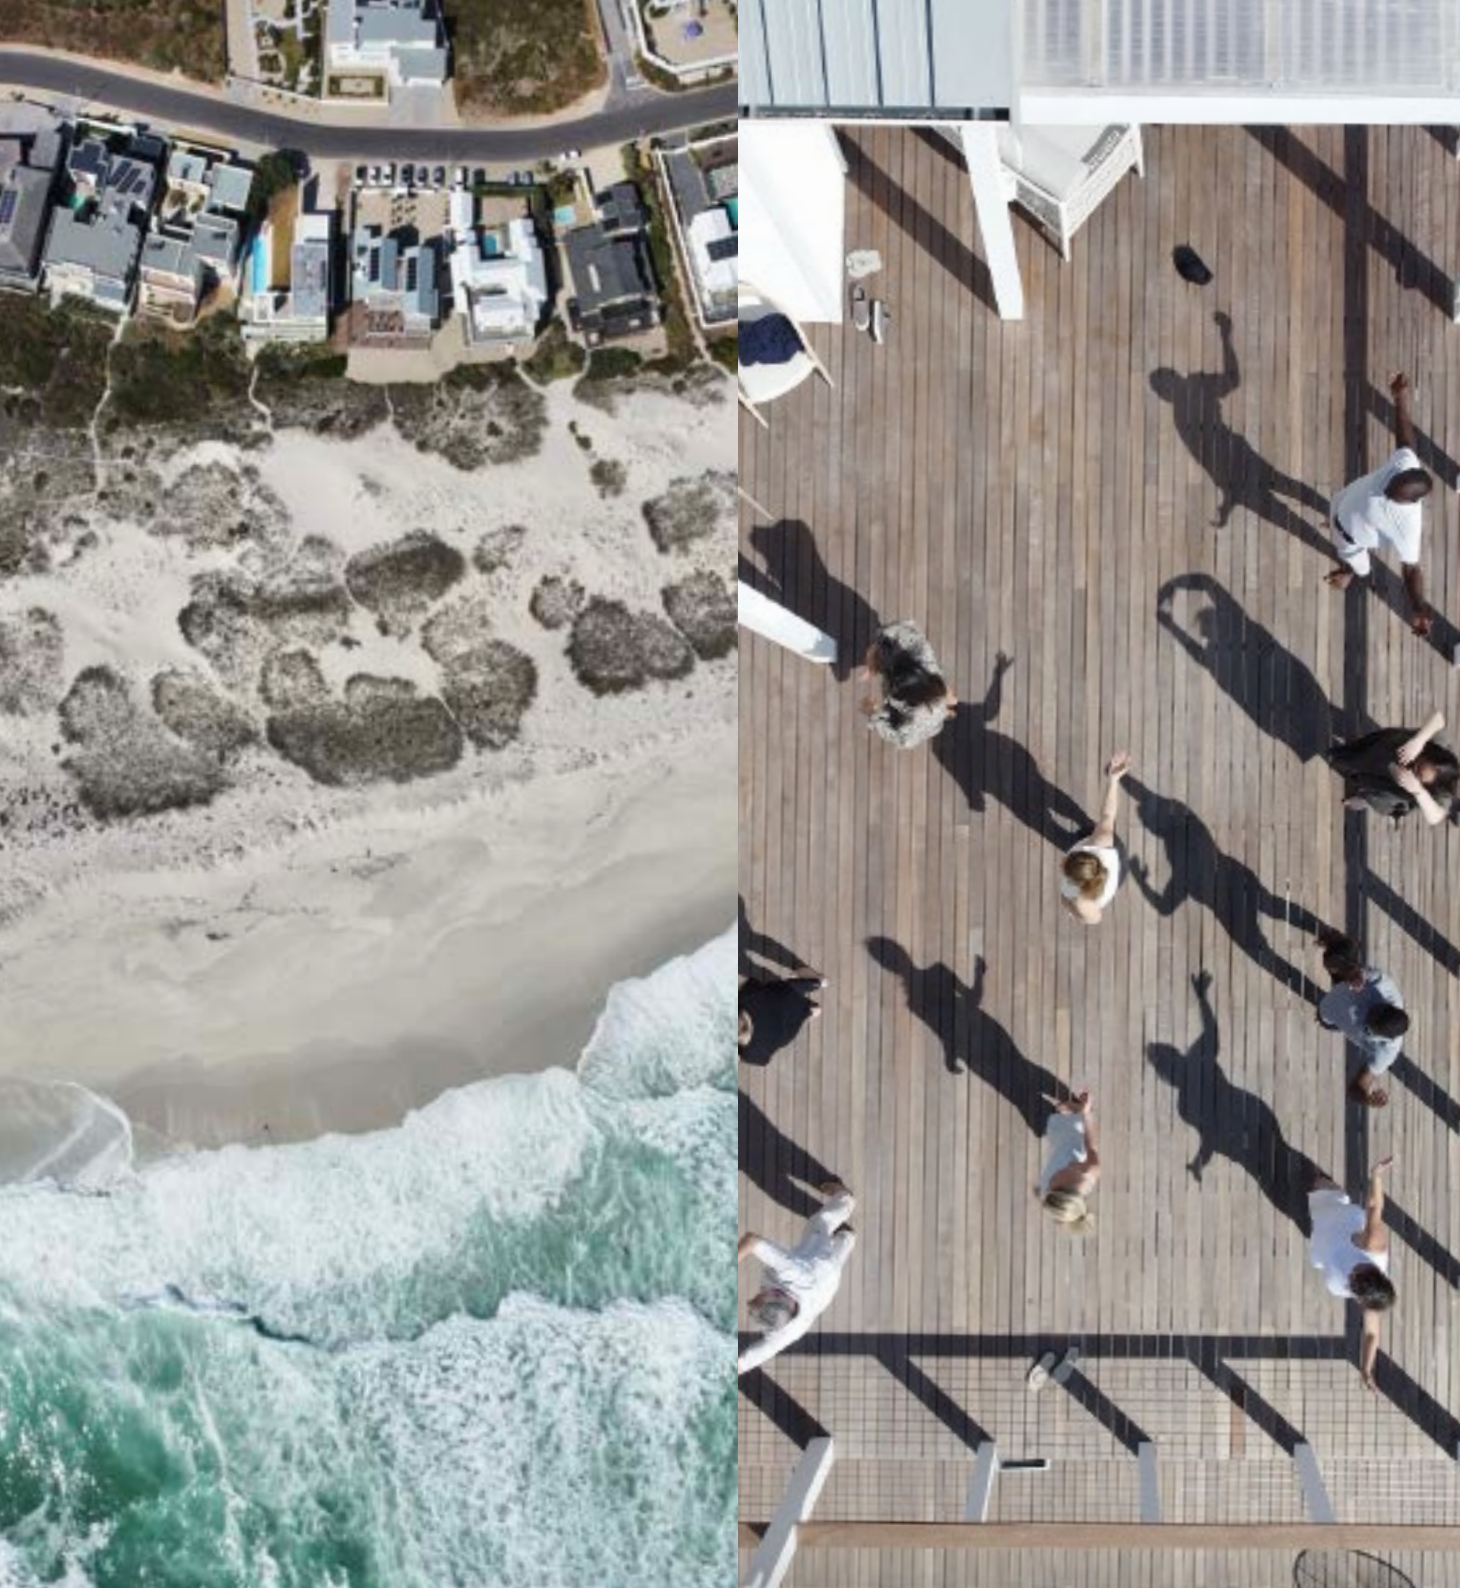

Additionally, there is a sunset deck on the first floor with panoramic views that can be used for yoga and other classes. This also works very well for meditations and sun salutations as the sun sets over the sea.

We have a fabulous range of support people in the way of masseurs, reflexologists and natural healers willing to collaborate on your retreat or workshop and add huge value.

The natural rock pool is great for "Wim Hof" cold water therapy sessions - with incredible health benefits.
